Lancaster Soup

Next Event February 2017

Cornerstone Café, Sulyard Street, Lancaster, LA1 1PX

Lancaster Soup is a fundraising event for local community groups, charities and social enterprises. The concept is very simple. Members of the public pay £5 per head to enter the event. We hear pitches from 3 or 4 groups who are looking for funding for their ventures. They will generally take some questions from the floor.

This is very far from being a hostile Dragon's Den type environment, but rather an opportunity for people to share their passion for their own particular project. We all share some food, typically homemade soup, bread and a seasonal salad.

Everyone present then votes to decide which project will be awarded the money collected on the door. All the money collected on the night will go out to the project with the most votes.

If you would like to pitch for a project a short summary of the projects aims and objectives should be sent to lancastersoup@gmail.com

They will not fund the running costs of play-schemes or summer-scheme activities. And trips must be targeted to individual children. They will not consider family trips.

Grants of between £500 and £2,500 can be considered. They will only fund a maximum of two-thirds of the total cost of a holiday as they expect some of the funding to be raised elsewhere.

Nat Merriman Fund

The Nat Merriman Fund was established in memory of Nat Merriman, a young man that passionately believed in the value of creative and performing arts in the lives of young people, who died in 1994 aged 25. Nat was born and raised in Lancaster. He attended Dallas Road School and Morecambe High School. As an actor and wordsmith he was part of many local organisations including The Dukes, where he found people with enthusiasm to match his own. Nat was a person who sought out opportunities, took them when they arose and tried to create them where they did not already exist.

The fund is to enable young people to widen their experience and appreciation of the creative and performing arts. The maximum grant that will be awarded is £300. Applicants must be aged between 11-25 year old and live in the Lancaster District.

Applications are accepted from individuals/groups as long as the money is not used to fund any form of education that should be provided by the Local Education Authority.

Gift Aid for charities

Choosing a Charity Giving site

<http://www.moneysavingexpert.com/family/charity-fundraising-sites>

NB: don't forget that some of these sites will process gift aid for you and some don't but still make a charge for processing the donation but they don't always make it clear.

NB: most sites won't process gift aid for you unless you are a Registered Charity with the Charity commission.

Gift Aid is a simple way for you to increase the value of gifts of money from UK tax payers: By asking donors for permission to reclaim the tax that they have paid on their donation, **you can increase the value of donations to your charity by one quarter**. For every £1 qualifying donation received, your charity can claim repayment of 25 pence.

How does Gift Aid work? When a UK taxpayer gives a gift of money to a charity, they have already paid tax on that money. Because charities are generally exempt from tax, they can claim an amount from HM Revenue & Customs (HMRC) equal to the tax paid on that money by the donor. This repayment from HMRC is known as Gift Aid.

Resources: Charities and social enterprises with charitable purposes applying for tax exemption status should use a CHA1 form from [HMRC's website](http://www.hmrc.gov.uk).

For Community and Amateur Sports Clubs and similar there is a CASC(A1) form to use to register with HMRC which you can download from [HMRCs website](http://www.hmrc.gov.uk)
