

BUSINESS EXCELLENCE - FEBRUARY 2022

LEAN FOR 2022

Transform to being 'Lean and Clean'

8th February 2022 | 9am-1pm

Lean for 2022 - Can you be sustainable, renewable AND profitable?
This workshop will review how waste is more relevant than ever for today's energy sensitive priorities.
Review value and how it can help you to prioritise your organisation.

How to really understand your business

22nd February 2022 | 9am-1pm

Take a step back and reflect on how your organisation currently operates and look at it from a consultants' point of view. Understand where pinch points and issues lie within your business and look at how you can challenge them. Create an action plan for the future - where do you want your organisation to be?

Lean leadership

8th March 2022 | 9am-1pm

Create an effective culture in your business, not just for today but also tomorrow.
This workshop looks at the benefits of good organisational culture, ethics and communication and how to effectively implement this into your business strategy.

Please note that workshop details may be subject to change during the programme.
All sessions will be held online using Zoom.

BUSINESS EXCELLENCE - FEBRUARY 2022

LEAN FOR 2022

Louise McLaren - Programme delivery expert

Director of Ariom Solutions Limited and Director and Co-founder of 15Dd Management Consulting with more than thirty years international, technical and implementation experience, Louise has a wide range of in-depth knowledge and experience as a coach and mentor in Lean manufacturing and process improvement.

Working strategically with senior management, coupled with a practical, hands-on approach to training and development with the workforce, she has supported a range of industries.

Louise has helped many organisations around the world, from multinationals and governments, to family run SMEs, to understand and enhance both their operations and culture.
