# CHAIRMAN WANTED

## LANCASTER BOYS & GIRLS CLUB ARE ACTIVELY SEEKING A CHAIRMAN

### Who we are looking for

We are looking for someone who has an interest in and is committed to supporting young people's personal social development, especially through engagement in their local youth club and participation in youth club activities, new opportunities and experiences. Specific skills in a field such as work with young people, social care, education, finance, charitable work or health & safety would be an advantage.

We are seeking someone with local knowledge and skills to support the committee, club staff and programme of activity to enhance young people's personal social development.

### Background

Lancaster Boys & Girls Club has been working with vulnerable, disadvantaged young people from across Lancaster since 1929. We are open several nights per week and weekends providing a wide range of activities from mainstream pool, table tennis and football to archery, zorb ball, dance, boxing, fitness and much more. We provide access to outdoor pursuits with adventurous activities and residentials and work closely with other community youth groups who use our club as the venue for their activities in order to maximise use of our resources and facilities.
