

# Do you Love Your Liver?

Alcohol, excess bodyweight, or viral hepatitis are behind 9 in 10 cases of liver disease.

## Could you be at risk?

Come along to our **Love Your Liver roadshow** to find out for free.

**Lancaster, Cable Street, LA1 1HH  
(Saturday 21st October, 10am – 4pm)**

Sometimes events can get very busy and we may have to close the queue before 4pm. If you can, we advise that you arrive earlier in the day.
