WHAT'S HAPPENING?

80-MILE INDOOR CYCLE CHALLENGE

The King's Trust staff and Young People at Morecambe Fire Station are completing a sponsored cycle on a static bike, totalling 80 miles. This is the combined distance between each of the 9 Lancashire Fire Stations that deliver the programme.

BAKE SALE – 6TH JUNE 2025

Our young people will be hosting a delicious bake sale – come along and support the cause (and grab a tasty treat).

WHY IT MATTERS:

The outdoor area of St Chads Church and Community Centre needs urgent repair and care.

Our young people will be leading the hands-on restoration work – building a better space for the entire community.
