Are you a faith-based group or work with faith-based organisations concerned about how extremists exploit religion to target the vulnerable?

Join us for a powerful session revealing how radical groups twist faith-based narratives—and what your communities can do to protect, educate, and empower. Equip yourself with the tools to spot the signs and safeguard the next generation.

Main Speakers :

- **Helen Paynter** Author of the Book 'The church the Far right, and the claim to Christianity'
- **Dilwar Hussain** *Chair*, New Horizons in British Islam

Workshops will be delivered on the day looking at different themes.
