

WE'RE HIRING!

Socialease Outreach Coordinator

We are looking for a passionate, organised & self motivated person to join our team as our Freelance Socialease Outreach Coordinator. This role is part of our new pilot project which will run from from November 2025 - April 2026 to support adults facing isolation in the Lancaster district .

About you:

- Experience working with volunteers
- Experience working in community settings to support individuals
- Excellent communication skills
- Friendly, empathetic and organised
- Understanding of trauma-informed practice
- Ability to work independently

What you will do:

- Engage with residents interested in Socialease groups
- Increase promotion of Socialease through outreach
- Recruit & support volunteers
- Help deliver & oversee sessions using a trauma-informed and person-centered approach
- Gather feedback from the community
- Build & strengthen community links
