

# SUMMERHOUSE COMMUNITY FARM

**Help us raise  
£30,000  
to set up  
Summerhouse  
Community  
Farm**

The vision for Summerhouse Community Farm in Lancaster is for it to become a hub for food growing, skills training and nature recovery, based on a community-led permaculture design. We are raising funds to set up the farm!

The Aviva Community Foundation matches up to £250 of the first donation by each person made before 11 March 2026.

To make a donation, or buy a reward, scan the QR code.
