THE GAME OF MONEY AND LIFE

Ready to play your way to smarter choices?

Join us for a fun, interactive board game where you'll explore real-life scenarios - not just about money, but about making decisions that shape your future. From budgeting and spending to handling bills, planning ahead, and navigating everyday challenges, you'll build confidence and practical skills in a relaxed, friendly setting.

Play, learn, and connect with others as you discover how your choices impact your journey.

Complete the challenge and receive a goody bag to celebrate your new skills!

Electrician
Apprentice

Police
Officer

Operative

Student

Delivered by...

LANCASHIRE WOMEN

Supporting confidence,
skills, and brighter futures.

How does it work?

Delivered over 2 sessions (2.5 hours each) across 2 weeks:

Week 1

Learn through play by exploring real-life money scenarios through our interactive game.

Week 2

Build real-life skills whilst you dive deeper into key topics and develop practical financial confidence

Who is it for?

This programme is ideal for:

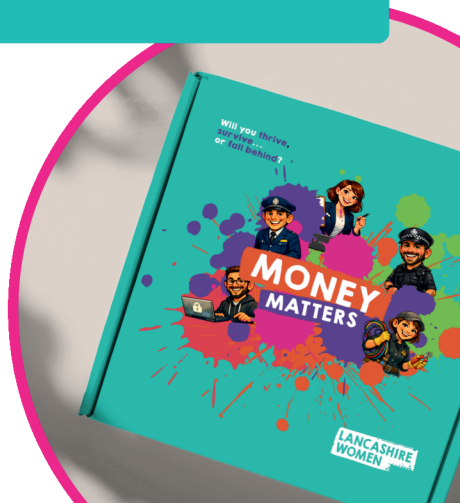

- ✓ Young people aged 16–25
- ✓ Those wanting to build confidence around money
- ✓ Groups in education, training or community settings

WE COME TO YOU!

We can deliver Money Matters directly within your setting, making it easy for your group to take part.
